Wisconsin's Leading Healthcare
Linen & Uniform Partner

Proud to Be the First Name in Wisconsin Healthcare Linen & Uniform Rentals Since 1952.

Our exceptional healthcare linen management programs provide hygienically clean patient gowns, bed linens, scrub uniforms, and more. We work closely with your team to develop a customized linen program suited to your healthcare facility's requirements, laundry volumes, and budget. Our responsive team includes dedicated customer success managers, customer service reps and route service representatives who ensure you always have the right inventory levels.

Why Partner With Us?

- ✓ **Certified Hygienically Clean:** We're one of the few laundries in Wisconsin to earn the Healthcare TRSA Hygienically Clean certification.
- ✓ **Dedicated Customer Success Manager** backed by industry-leading healthcare expertise to oversee and elevate your success.
- ✓ **High-Quality Medline Products** with a robust/proven quality control program.
- ✓ **On-demand KPIs/Scoreboards** tailored to your needs, in addition to quarterly business reviews.
- ✓ **Reliable Deliveries** with tailored delivery times and days based on your facility's needs.
- ✓ **Seamless Inventory Management,** which includes online ordering for hospitals, vendor-managed linen programs, and efficient loss charge management to streamline your operations.
- ✓ **Emergency Preparedness:** Our redundancy with multiple plants and off-site inventory storage ensures reliable service and emergency preparedness.
- ✓ **Simple, Hassle-Free Rental Program** that delivers consistent, high-quality linens using trusted Medline products, backed by a robust quality control program for superior reliability.

Our guarantee is a simple one: you will be completely satisfied with the products and services you receive from our team.
